PATTERNS OF EVIDENCE: THE EXODUS, DIRECTORS CHOICE EDITION, (DVD) - Filmmaker Timothy Mahoney chronicles an in-depth archaeological investigation in Egypt and Israel as his team attempts to corroborate the biblical text. The film explores one fundamental question: Is there any evidence that the Exodus story actually happened? Twelve years in the making, this provocative documentary reveals new or rarely seen evidence regarding the Israelites' descent into slavery, their Exodus from Egypt and their ultimate conquest of the Promised Land. The DVD highlights stunning animations and a cast including Narrator Kevin Sorbo (*God's Not Dead*, *Hercules: The Legendary Journeys*), interviews with leading archaeologists such as Israel Finkelstein, Kent Weeks, and David Rohl, and guest appearances by Israel's Benjamin Netanyahu and Shimon Peres. Extras feature never-before-seen elements including exclusive interviews, "Behind the Music," "From Film to Book" and information about additional books and resources.

PATTERNS OF EVIDENCE: THE EXODUS (HARDCOVER BOOK) - companion book to the original motion picture is written by Filmmakers Timothy Mahoney and Steven Law. This book includes valuable insights and additional interviews not featured in the film. Filled with beautiful photography of Egypt and Israel, scenes from the biblical re-creations, maps, charts, and diagrams, it gives the reader an up-close and more in-depth look at the scholars and their positions (392 pages). **signed by Filmmaker Timothy Mahoney*
